SUBMITTAL OF THE UNDERGROUND STORAGE TANK REPLACEMENT PROJECT
FINAL CLOSURE REPORT - KAD-026-98

The Underground Storage Tanks (UST) targeted for replacement under this project have been replaced by utilizing Above Ground Storage Tanks (AST). The USTs have been closed per regulatory requirements and have been closed in place. This Closure Report details the method of closure and the assessment of the USTs in accordance with procedures outlined by the Colorado Department of Public Health and Environment.

Please forward a copy of this attached report to the appropriate regulatory agencies for their use.

Contact my office if there are any questions concerning this matter at extension 6034.
